About Interbike

Interbike is the largest bicycle trade event in North America, bringing together manufacturers, retailers, industry advocates and media to conduct the business of cycling. Established in 1982, the show gathers more than 1,200 cycling-related brands, over 25,000 total attendees annually and is considered one of the most important global trade events for the bicycle industry.

Interbike is one of 90 premier trade events owned and operated by Emerald Expositions, a leading producer of large business-to-business tradeshow. Emerald Expositions, based in San Juan Capistrano, CA produces shows and conference events globally that connect more than 525,000 buyers and sellers across nine diversified end-markets. Markets covered include general merchandise, sports, hospitality and retail design, jewelry, photography, decorated apparel, building, healthcare and military.
